EXPERIENCE

Consultant (Paid) **09/2025 to Current**
StudConsult AS **Oslo, Norway**

- Delivered market research and strategy insights for client companies, supporting their decision-making and business development, by conducting competitor analyses, customer surveys, and financial assessments.
- Strengthened consulting and communication skills while working with real clients across industries, by presenting findings and recommendations in a clear, professional format.
- Collaborated in diverse student consultant teams to ensure high-quality project outcomes, by applying structured problem-solving and project management tools.

Strategic Marketing Intern (Remote) **07/2025 to Current**
Finlo.AI **Oslo, Norway**

- Designed and implemented digital marketing campaigns targeting small and mid-sized businesses (SMBs), increasing brand visibility, and contributing to customer acquisition growth.
 - Created and managed multi-channel content across email, social media platforms, and paid advertising, ensuring alignment with Finlo's inclusive finance mission and brand voice.
 - Delivered comprehensive marketing performance reports and strategic insights to C-level executives, gaining exposure to executive-level decision-making processes.
 - Collaborated with cross-functional teams, including fellow interns and mentors, in a fast-paced, remote startup environment to execute agile growth marketing initiatives.
 - Strengthened strategic marketing skills through hands-on involvement in campaign planning, content development, and continuous optimization based on analytics.
-

LEADERSHIP EXPERIENCE & ACTIVITIES

Member of BI Case Teams **09/2025 to Current**
BI Case Teams – BI Norwegian Business School **Oslo, Norway**

- Handpicked among 32 students across all BI campuses (2025/2026).
- Solved real company cases under strict time pressure and presented results to judges from industry and consulting by applying structured problem-solving, teamwork, and analytical skills.
- Developed innovative, data-driven solutions to complex challenges, increasing team competitiveness in case competitions, by leveraging frameworks, creativity, and collaboration.
- Placed 2nd and 3rd in my division in the BI National Case Competition (BINCC).
- Served as Buddy during the BI International Case Competition (BIICC), facilitating coordination, communication, and integration with organizers and participants.
- Represented BI at the Nordic Case Competition (NCC) in Reykjavík; Developed and presented a structured, data-driven strategic recommendation from a 5- and 15-hour case to an external jury.

Manager for BISO Case Club **10/2024 to Current**

Case Club – BI Student Organization**Oslo, Norway**

- Expanded club membership and active participation by leading innovative engagement strategies, and organizing collaborative events, attracting over 100 students.
- Secured strategic partnerships with industry professionals and companies, providing members with real-world business insights, networking, and learning opportunities.
- Fostered a dynamic, student-centered culture by promoting inclusivity, initiative, and team-driven learning in competitive case study environments.
- Oversaw event planning and execution, aligning club activities with academic and professional development goals to maximize member value and retention.
- Planned and executed the first internal case competition for the club in collaboration with a leading consulting company as case partner, training participating students in structured case-solving and presentation techniques and overseeing end-to-end delivery from case design to final presentations.

Coordinator for Social Media**02/2025 to 06/2025****Oslo Colour Festival – IndoNord****Oslo, Norway**

- Developed and executed targeted social media strategies across Instagram, TikTok, Facebook, and LinkedIn to enhance event visibility and drive student engagement.
- Designed and published high-impact visuals, stories, and reels, significantly increasing content reach and audience interaction.
- Grew social media following from 200 to over 3,000 within six months, achieving 800,000+ total views, and substantially boosting brand awareness.
- Collaborated with design, event teams, and external partners to maintain cohesive branding and messaging for sponsored events.
- Monitored audience analytics and optimized content strategies, resulting in a fourfold increase in event participation, from 5,000 to 20,000 attendees.

Mentor – Anchoring Team for Oslo Colour Festival**01/2025 to 06/2025****Oslo Colour Festival – IndoNord****Oslo, Norway**

- Trained and mentored new team members in public speaking, script writing, and stage presence, enhancing team confidence and delivery quality for bilingual cultural events in English and Norwegian.
- Conducted regular feedback and rehearsal sessions, improving on-stage performance, and significantly reducing script errors during live shows.
- Coordinated host preparations for academic and cultural events, ensuring smooth event flow, and engaging delivery that boosted audience engagement.
- Maintained a professional yet energetic tone across all anchoring sessions, contributing to the overall success and vibrancy of the Oslo Colour Festival.
- Fostered a collaborative and growth-oriented team environment within a multicultural setting, leading to increased team retention, and improved performance.

CEO – Girls Takeover (Plan Norway)**10/2022 to 10/2022****BearingPoint****Oslo, Norway**

- Collaborated with BearingPoint to plan and deliver a Girls Takeover initiative, contributing to strategic discussions on inclusivity and gender equity in corporate leadership.
- Planned and facilitated interactive sessions for 50+ employees, creating structured dialogue around leadership equality, representation, and cultural change.
- Presented actionable strategies to encourage girls to pursue technology-based careers, bridging the gap between education, inspiration, and leadership development.
- Coordinated initiatives that amplified youth voices in leadership, aligning advocacy efforts with broader organizational diversity and inclusion goals.
- Positioned Girls Takeover as a structured platform for impact by connecting industry leaders with emerging female talent through mentorship, advocacy, and outreach.
